SKILLS VIDEOS

We produce some of the best collegiate videos in the country for a reasonable price. To schedule your video email John Sample: jsample@ascvb.com

Congratulations to the parents, coaches and players for a great tryout session! The tryouts are always a tough process for all of us, but when we are finished, it's amazing how good the quality becomes. Every player earned their way on the team and in some cases the difference between two or three players was incredibly small. The uniforms will be at TAV for distribution during December, so please watch the website for the time and date. We have some teams attending AAU's and some teams going to USAV Junior Nationals. We are again the number one team in the state, but have suggested an alternate scoring system to Lonestar Volleyball to account for the "Tour", "Qualifiers", "AAU's", "Junior Nationals", and other major events. If you would like to see a modified scoring system, please email Scott White at editor@lonestaryvolleyball.com. We are not trying to overwhelm him with emails, just suggest an alternative.

Post Season Highlights

Please check the website for the college watch accolades. Not only did most of our TAV alumni get a lot of playing time, but a great many were awarded all tournament, all conference and post season honors. Megan Murphy (1st Team), Shannon Hawari, Jasmine Norton, Kristen Hester, Jordan Raines (Hon. Mention) were all NCAA regional selections, Yui Iwase was named NAIA All American, and Jordan Goings was name honorable mention NAIA All American. Congratulations to all of our stellar athletes on their performance this collegiate year!

Congratulations are in order as well to all of the TAV high school players who achieved honors during the season including All-State, All-Star, All-District and tournament awards. Please check the website to see the long list of honorees for the 2011 Season!

2011-12 Payment Information

We are still inputting information on teams, players, coaches in our system and are not quite ready to send out billing. By January 1st, we will have credit card payment options on the allplayers website for your convenience. This year there is no up charge for using this service. You still have the option of bringing a check or credit card in to TAV to pay, but if you plan on recurring credit card for the year, you should use the allplayers site. We have listed below the scheduled amounts per team for your convenience. Please either drop by and use your credit card or a check for the December payment. Thanks! John and Donna

Any other teams that wish to train as a team, please have your coach get in touch with John Sample. If you want to join another group as an individual, please let John Sample know.
